Actions Arising from 29 May MHS Board Meeting

Para No	Action	Responsibility	Progress Report	Target Date for completion	Status
10	Statistics on enforcement would be presented to the next meeting of the MHS Board. This should include consideration of the action taken at the 50 plants that were responsible for 50% of the enforcement action undertaken between May 2007 and April 2008 and a breakdown of the offences involved.	Jane Downes	This will be included in the Chief Executive's report to the next full MHS Board meeting [date to be confirmed]. In addition, Jane Downes is currently preparing an MHS Board information paper which will provide an overview of enforcement action.	by 9 October 2008	Ongoing
10	The statement in paragraph 8.3 that <i>'no OTM bovines were permitted to enter the human foodchain through other abattoirs'</i> is not possible to fully substantiate. The statement should be termed in terms of best endeavours of the MHS have prevented OTM bovines from being permitted to enter the human food	Board Secretariat	This will be included in the Chief Executive's report to the next full MHS Board meeting [date to be confirmed]	by 9 October 2008	Ongoing
