

None of the following members have carried out any significant political activity in the past five years.

Ms Angela Booth (Feed Manufacturer) is a Commercial Services Director for ABN (part of the AB Agri group) a leading British manufacturer of pig and poultry compound feed. She has worked in the UK animal feed industry for over 30 years. She has a BSc in Animal Nutrition from Edinburgh University. Her current role includes responsibility for nutrition, purchasing, marketing, quality assurance, feed safety and legislation. Ms Booth also has responsibility for feed safety across the whole of AB Agri, which comprises a diverse range of animal nutrition businesses selling compound feed, co-products, premix, feed materials and feed additives to more than 40 countries.

Dr David Peers (Animal Nutrition) is a Senior Livestock Adviser for ADAS. He has a BSc (Honours) from the University College of Wales, Bangor and has obtained a PhD (Doctorate in Animal Nutrition Research). Dr Peers has wide experience over 40 years of farm livestock consultancy across all species specialising in livestock nutrition and forage production. He has carried out research and development work in livestock nutrition and production, forage production and evaluation and has had 16 papers published in scientific journals. Dr Peers acts an expert in litigation cases. He has also organised and delivered courses on animal nutrition and has provided lectures at local level to farmers, industry and consultancy groups on animal nutrition. Dr Peers has represented ADAS at national and international conferences.

Mrs Christine McAlinden (Toxicology) is Associate Director with toXcel International Ltd and is a toxicologist with 20 years experience. She has a BSc (Honours) in Applied Biology from Nottingham Trent University and obtained certification as a Diplomate American Board of Toxicology. Mrs McAlinden has been on the UK and European Register of Toxicologists 2001. Between 2003 and 2008, she served on the Education Sub-committee of the British Toxicology Society. She has been a member of the panel for the UK Register of Toxicologists since 2009.
