

Customer Notice

28/11/08 PRODUCT RECALL

Campina Yazoo Milkshakes 500g Banana, Strawberry and Chocolate

Campina is recalling the following products as a precautionary measure due to a potential quality control issue caused by insufficient sealing on one of its production lines:

- Yazoo 500g (475ml) Banana
- Yazoo 500g (475ml) Strawberry
- Yazoo 500g (472ml) Chocolate

There is no danger to public health, but this sealing issue has compromised quality and therefore it is appropriate to withdraw the product from the market.

The affected products carry lot codes ending in 'K' which can be found on the neck of the bottle.

For example: L537K 11:32
30/04/2009

Only 500g Yazoo products with the K-code have this quality problem. No other Yazoo products or pack sizes are affected by this recall.

Campina apologises for any inconvenience this may cause and assures customers of its continuing commitment to the highest standards of product safety and quality.

What should you do?

If you have purchased any of these products do not consume, simply call the number listed below for a full product refund.
