

OUR APOLOGIES

It has come to our attention that, due to a storage problem, a small number of our '200g Assortment' boxed chocolates do not meet the high quality standards that we expect. This is an isolated incident and only affects a small amount of product sold in certain stores within the East Anglia region.

We care passionately that our customers enjoy our chocolates at their absolute best and are therefore issuing a recall for this batch of affected product. The rest of the Green & Black's range is unaffected.

Any customer who has bought 'The Assortment' with the lot code L52469 (found in the bottom left hand corner on the back of the pack sleeve) should discard the product and return the sleeve to Green & Black's at 2 Valentine Place, London SE1 8QH for a full refund.

We would like to reassure our customers that we always do everything we can to ensure that any purchase from the Green & Black's range reaches you in perfect condition. We would also like to apologise for any inconvenience and disappointment that this may have caused.

Wishing you a very happy Christmas from us all at
