

REGISTER OF BOARD MEMBERS' INTERESTS

1. The following provisions for the declaration of interests and withdrawal from meetings are intended to prevent the Chairman, Deputy Chair and Board Members being influenced, or appearing to be influenced, by their private interests in the exercise of their collective public duties.
2. As a minimum, all personal or business interests which may or, in the judgement of the MHS Board Member, may be *perceived* by a reasonable member of the public to influence their judgement, should be declared. Such interests will include, but will not be limited to, involvement in the agriculture, food and related industries. In addition, other interests which do not appear to be immediately relevant to the work of the Agency may also be declared, at the discretion of the Board Member concerned.
3. MHS Board members are required to complete a Register of Board Members' Interests. There is no lower threshold for declaration of personal and non-personal interests, including shareholdings. Board Members are asked to inform the MHS Board Secretariat as soon as is practicable of any changes in their interests and, in any event, Board Members will be required to complete a form declaring their personal and non-personal interests once a year.
4. The Chairman, Deputy Chair and MHS Board Members must declare their relevant interests in issues to be discussed at formal meetings of the MHS Board. Wherever possible, the interest should be declared in advance of the meeting, but as a minimum must be declared prior to discussion of the relevant agenda item at the meeting. After Board Members have fully explained the nature of their interests the Chairman (or the Deputy Chair in the case of a declaration from the Chairman) will decide whether and to what extent the Board Member should participate in the discussion and determination of the issue. Where the Chairman has a relevant interest and does not participate in the meeting, the Deputy Chair will chair the discussion of the relevant agenda item. Minutes of formal meetings will record declarations made by the Chairman, Deputy Chair and Board Members and the extent of their participation in discussion.
5. The current register of interests for each of the Board members follows.
