Noni de Tahiti Ltd.

“Noni de Tahiti” Approval

An application for EC Approval of 100% pure Tahitian Noni juice labelled as “Noni de Tahiti” as per the Novel Food and Novel Food Ingredients Regulation (EC) No 258/97 under the substantial equivalence directive.

The Approval is sought by showing that the Noni Juice we exclusively purchase from Tahiti Products Inc., Wilshire Boulevard, Suite 359, Los Angeles, CA 90036, USA is the same product as the Noni juice sold by a Belgian company called GDI nv., Wolvenhofstraat 12, B-8870 Izegem Belgium, who gained substantial equivalence approval with their Noni Juice from the Belgian Competent Authority in 2004.

We would hereby request a simplified process of approval as our Noni Juice has already been approved for GDI nv. By the Belgium Competent Authority.
