

# Sainsbury's PRODUCT RECALL

**Sainsbury's Sesame Seeds 100g**  
**Sainsbury's Seed Mix 60g**  
**(Best before March 2010)**

During routine testing we have identified a single instance of *Salmonella* bacteria in a batch of sesame seeds used to produce these products.

As a precaution, if you have purchased either of these products, with a **best before** date of **March 2010** only, please return them to the customer service desk at your local store for a full refund.

No other products are affected by this recall, and we apologise for the inconvenience caused.
