

Sudan I consolidated product list

We have now consolidated the products affected into a single numbered list to include the new products published on 8 March 2005. This should make it easier for you to print off and check. It combines the original list and four updates issued since 18 February 2005.

	Product Description	Manufacturer / Supplier	Batch Number	Best Before Date or Use By Dates (up to and including unless otherwise stated)	Product Type
