Risk statement

Allergen(s): Peanuts

The products contain peanut making them a possible health risk for anyone with an allergy to peanuts.

Action taken by the company

Origin Kitchen is recalling the above products from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product.

Our advice to consumers

If you have bought the above products and have an allergy to peanuts, do not eat them. Instead, return them to the store from where they were bought for a full refund (with or without receipt). For further details, contact 07886007217 or by email: sam@originkitchen.co.uk.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
