

Code of conduct, standing orders, and terms of reference for the FSA Board

We are a non-Ministerial government department so we are governed by a Board, rather than directly by Ministers. The Board ensures we fulfil our legal obligations so that all decisions or actions consider scientific advice and the interests of consumers.

Our Board is chaired by [Professor Susan Jebb](#) and has between seven and 11 other members. They are responsible for the overall strategic direction of our organisation. Day-to-day management is delegated to officials through the [Chief Executive](#).

The Board is mainly appointed by the Secretary of State for Health and Social Care. One member is appointed by the Welsh Health Minister, and one by the Northern Ireland Health Minister.

Information about how the Board works, including the code of conduct and standing orders, can be found in our [Board Operating Framework](#).
