

ASDA is recalling ASDA Plant Based Lemon Cheesecake because of undeclared walnuts and hazelnuts (nuts)

ASDA is taking the precautionary step of recalling ASDA Plant Based Lemon Cheesecake because it may contain traces of walnuts and hazelnuts (nuts), which are not mentioned on the label. This means the product is a possible health risk for anyone with an allergy to walnuts and/or hazelnuts (nuts).

Product details

Product: ASDA Plant Based Lemon Cheesecake
Pack size: 2 x 100g
'Use By' dates: All date codes

No other ASDA products are known to be affected

Risk statement

Allergen(s): Walnuts and hazelnuts (nuts)

This product may contain walnuts and hazelnuts (nuts) making it a possible health risk for anyone with an allergy to walnuts and/or hazelnuts (nuts).

Action taken by the company

ASDA is recalling the above product from customers and they have contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a recall notice to its customers. These notices explain to customers why the product is being recalled and tells them what to do if they have bought the product. Please see the customer notice here: <https://corporate.asda.com/product-recall-asda-vegan-lemon-cheesecake-2-x-100g>

Information on the FSA's work on food allergy and intolerance can be found at: <https://www.food.gov.uk/safety-hygiene/allergy-and-intolerance>. Advice on food allergy and intolerance can be found at: <http://www.nhs.uk/conditions/food-allergy/Pages/Intro1.aspx>

Our advice to consumers

If you have bought the above product and have an allergy to walnuts and/or hazelnuts (nuts), do not eat it. Instead return them to the store from where they were bought for a full refund.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the

product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
