What is the subject of this consultation?

The draft Food Safety (Information and Compositional Requirements) (Amendment) Regulations (Northern Ireland) 2019 which will introduce provisions for the enforcement of the requirements of Delegated Regulation (EU) 2016/128, which supplements Regulation (EU) No 609/2013 as regards the specific compositional and information requirements for food for special medical purposes, both of which are directly applicable across the EU. The Northern Ireland Regulations need to come into operation by 22 February 2019 in line with the provisions of the EU Regulations.

What is the purpose of this consultation?

To seek stakeholders views on plans to introduce domestic legislation, in the form of an amending Statutory Rule (SR), so that Delegated Regulation (EU) 2016/128 which supplements Regulation (EU) No 609/2013 on food for special medical purposes can be enforced in Northern Ireland. We are asking for stakeholders' views on the appropriateness of the proposed approach to enforcement, which is based on Improvement Notices.
