

Update 1: Morrisons recalls The Best Taleggio because of possible contamination with Listeria monocytogenes

Morrisons is taking the precautionary action of extending their recall of The Best Taleggio because Listeria monocytogenes has been found in the product. This product recall has been updated to include more ‘use by’ dates.

Product details

The Best Taleggio

Pack size	200g
Use by	All date codes up to and including 28 April 2024

Risk statement

The presence of Listeria monocytogenes in the product listed above.

Symptoms caused by this organism can be similar to flu and include high temperature, muscle ache or pain, chills, feeling or being sick and diarrhoea. However, in rare cases, the infection can be more severe, causing serious complications, such as meningitis.

Some people are more vulnerable to listeria infections, including those over 65 years of age, pregnant women and their unborn babies, babies less than one month old and people with weakened immune systems.

Action taken by the company

Morrisons is recalling the above product. Point of sale notices will be displayed in all retail stores that are selling this product. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.
