## Risk statement

**Allergen(s):** Mustard and Sulphites

The product may contain mustard and/or sulphites making it a possible health risk for anyone with an allergy to mustard and/or a sensitivity to sulphur dioxide and/or sulphites.

## Action taken by the company

Co-op is recalling the above product from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.

## Our advice to consumers

If you have bought the above product and have an allergy to mustard and/or a sensitivity to sulphur dioxide and/or sulphites do not consume it. Instead, dispose of the product. For a refund or replacement (subject to availability) please visit your local store. If you purchased online, you can receive a refund by calling 0330 041 7737. You can contact the customer careline on 0800 0686 727 or email via the product issues or returns section of the Co-op website.

## **About allergy alerts**

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
