Our advice to consumers

If you have bought the above product, do not eat it. Instead return it to your local Waitrose branch for a full refund. For more information contact Waitrose Customer Care 0800 188 884, Option 4.

About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). The FSA issues Product Withdrawal Information Notices and Product Recall Information Notices

to let consumers and local authorities know about problems associated with food. In some cases, a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to be taken on behalf of consumers.
