Who will this consultation be of most interest to?

Carlingford Lough shellfish harvesters, enforcement authorities, official control sampling officers, official control testing laboratories and other interested stakeholders.

Consultation subject

A proposal by the Food Standards Agency (FSA) to rationalise the number of official control monitoring points for biotoxin and phytoplankton monitoring in Carlingford Lough and introduce Representative Monitoring Points (RMPs) and Associated Harvesting Areas (AHAs) .

Purpose of the consultation

To seek comments from industry, enforcement authorities, and other interested stakeholders on the proposed rationalisation of biotoxin and phytoplankton monitoring in Carlingford Lough and the implementation of RMPs and AHAs.
