

# P&B (Foods) Limited recalls Heera Rewdi and Heera Sweet Makhana because of undeclared allergens

P&B (Foods) limited is recalling Heera Rewdi because they contain sesame and Heera Sweet Makhana because they contain sulphites, neither allergens are mentioned on the label. This means the products are a possible health risk for anyone with an allergy to sesame and/or a sensitivity to sulphur dioxide and/or sulphites.

## Our advice to consumers

If you have bought the above products and have an allergy to sesame and/or a sensitivity to sulphur dioxide and/or sulphites, do not eat them. Instead return them to the store from where they were bought for a full refund.

## About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
