Risk statement

Allergen(s): Soya

This product contains soya making it a possible health risk for anyone with an allergy to soya

Action taken by the company

Boots is recalling the above product from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product.

Our advice to consumers

If you have bought the above product and have an allergy to soya, do not eat it. Instead, return it to the store from where it was bought for a full refund, with or without a receipt. For more information contact the Boots Customer Care team on 0800 9150004.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers

because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
