

# Home Bargains recalls Sci-Mx Nutrition Ultra Muscle Strawberry Flavour because of high levels of caffeine

Home Bargains is recalling Sci-Mx Nutrition Ultra Muscle Strawberry Flavour because high levels of caffeine have been found in the product. This makes the product unsafe to consume.

## Product details

### Sci-Mx Nutrition Ultra Muscle Strawberry Flavour

<b>Pack size</b>	1.5kg bags
<b>Batch code</b>	W110429
<b>Best before</b>	March 2025

## Risk statement

High levels of caffeine in the product.

Too much caffeine can produce anxiety, sleeplessness, agitation, palpitations, diarrhoea and restlessness. Individuals with a mental health condition caffeine can experience worsened psychosis and result in the need for higher amounts of medication. Caffeine can reduce how well your antipsychotic medications work.

Children, or other people sensitive to caffeine, should only consume caffeine in moderation. Pregnant and breast-feeding women are advised not to have more than 200mg of caffeine over the course of a day.

## Action taken by the company

Home Bargains is recalling the above product. Point of sale notices will be displayed in all retail stores that are selling this product. These notices explain to customers why the products are being recalled and tell them what to do if they have bought the product. Please see the attached notice.

## About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). The FSA issues Product Withdrawal Information Notices and Product Recall Information Notices to let consumers and local authorities know about problems associated with food. In some cases, a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to be taken on behalf of consumers.
