

# Signature Flatbreads UK recalls Village Bakery 8 Tortilla Wraps White because of possible presence of metal

Signature Flatbreads UK is taking the precautionary step of recalling Village Bakery 8 Tortilla Wraps White because of a possible presence of metal, as the product may have been tampered with. The possible presence of metal makes this product unsafe to eat.

This is an isolated incident and is not linked to other product recall information notices, (PRINs) recently published for metal contamination.

No other Aldi or Signature Flatbreads UK products are affected.

## Product details

### Village Bakery 8 Tortilla Wraps White

Pack size	8x62g
Best before	all dates up to and including 29 April 2024

## Risk statement

This product may contain pieces of metal which makes it unsafe to eat.

## Action taken by the company

Signature Flatbreads UK are recalling the above product and are working with the relevant food and police agencies to investigate the cause of the contamination. Point of sale notices will be displayed in all retail stores that are selling this product. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.

## Our advice to consumers

If you have bought the above product do not eat it. Instead, return it to the store from where it was bought for a full refund. Any customers with queries or concerns can contact Aldi on 0800 042 0800 or visit [help.aldi.co.uk](https://help.aldi.co.uk).

## About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product).

The FSA issues Product Recall Information Notices to let consumers and local authorities know about problems associated with food. In some cases, a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to be taken on behalf of consumers.
