Risk statement

The possible presence of Shiga toxin-producing E. coli (STEC) in the products listed above.

Symptoms caused by STEC organisms include severe diarrhoea (including bloody diarrhoea), abdominal pain, and sometimes haemolytic uremic syndrome, (HUS), a serious condition that can lead to kidney failure and can be fatal.

Action taken by the company

Samworth Brothers Manton Wood is recalling the above products. Tesco and One Stop have issued a recall notice to their customers. These notices explain to customers why the products are being recalled and tell them what to do if they have bought the products. Please see attached notices.

Our advice to consumers

If you have bought any of the above products do not eat them. Instead return them to the store from where they were bought for a full refund or contact the Tesco Customer Service on 0800 505 555 / One Stop Customer Service on 01543 363 133.

About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). The FSA issues Product Withdrawal Information Notices and Product Recall Information Notices to let consumers and local authorities know about problems associated with food. In some cases, a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to be taken on behalf of consumers.
