Action 2 – Intelligence-Led Working and Rollout of the new Food Standards Delivery Model (FSA BC 24/09/05)	CE to consider how to enable Board Member input into publications on Food Standards.	2/12/24	Katie Pettifer – Ongoing Once the analysis of the intelligence and evidence during the annual Standards Priorities review process is complete, we can provide the relevant Board Members with an explanation of the process and discuss the overview of the food standards compliance issues taking place at a significant or national level that then form the basis of the forthcoming Standards Priorities. This could be in the form of a session with relevant Board Members and aligned with similar briefings.
