About this consultation

Consultation target audience

Enforcement authorities, manufacturers, wholesalers and retailers of caseins and caseinates. Caseins and Caseinates are milk products that are used primarily in cheese making, protein, supplements, formula milk and additives. The consultation may also be of interest to health professionals, consumer groups and others with an interest in food labelling legislation.

Subject of this consultation

The draft Caseins and Caseinates (Wales) Regulations 2016 transpose the requirements of [Directive 2015/2203](#) on caseins and caseinates intended for human consumption. The Welsh Regulations are intended to apply from 22 December 2016

Purpose of this consultation

To provide stakeholders with an opportunity to comment on the draft Welsh Regulations which are based on the preferred proposed option for the transposition of the EU Directive into Welsh law.
