## About this consultation

This consultation concerns further amendments to UK food and feed regulations, including those necessitated by the application of the Withdrawal Agreement and the Northern Ireland Protocol, that are, required to ensure retained EU law relating to food and feed safety and hygiene remains effective at the end of the Transition Period.

## Purpose of the consultation

To seek the views of businesses, consumers, other stakeholders, local authorities and the wider public as to the changes Ministers propose to make to retained EU law relating to food and feed safety and hygiene.

## Who will this consultation be of most interest to?

All United Kingdom food and feed businesses, local authorities, and other stakeholders with an interest in food and feed safety and hygiene law.
