This consultation will be of most interest to

Food and animal feed businesses including manufacturers, wholesalers and retailers and enforcement authorities. The consultation may also be of interest to health professionals, consumer groups and others with an interest in food and feed legislation.

About this consultation

This consultation concerns the proposed approach to technical amendments to Northern Ireland (NI) domestic legislation relating to food and feed safety and hygiene, food compositional standards and food labelling (including nutrition labelling). These amendments are necessary to reflect the application of the Withdrawal Agreement and the Protocol on Ireland/Northern Ireland (NIP) to ensure NI food and feed law remains effective at the end of the Transition Period (TP).
