

# Sainsbury's recalls On the Go Spicy Chicken Pasta because of undeclared milk

Sainsbury's is recalling On the Go Spicy Chicken Pasta because it contains milk which is not mentioned on the label. This means the product is a possible health risk for anyone with an allergy or intolerance to milk or milk constituents. Due to a packaging error, some packs may contain cheese and tomato pasta not spicy chicken pasta.

## Product details

### Sainsbury's On the Go Spicy Chicken Pasta

<b>Pack size</b>	275g
<b>Use by</b>	30 August 2021
<b>Allergens</b>	Milk

## Risk statement

### Allergen(s): Milk

This product contains milk making it a possible health risk for anyone with an allergy or intolerance to milk or milk constituents.

## Action taken by the company

Sainsbury's is recalling the above product from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.

## Our advice to consumers

If you have bought the above product and have an allergy or intolerance to milk or milk constituents do not eat it. Instead return it to the store from where it was bought for a full refund.

## **About allergy alerts**

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
