

# FSA Board Meeting - December 2021: Video and Minutes

Minutes and the video recording of the FSA Board & Business Committee Meeting on Wednesday 8 December 2021.

At the FSA Board meeting on 8 December 2021, our Chief Executive Emily Miles laid out the FSA's proportionate approach to regulating CBD. This includes bringing the industry into compliance with the need for CBD to go through an FSA safety assessment, and the next steps in that process, including updating the [CBD public list](#).

The Board also discussed a paper on consumer insights, heard an update on EU transition, and the annual Science report for 2021 was also presented at the meeting.
