| 7.46 (ii) Carry out food standards interventions / inspections including alternative enforcement strategies and registration of establishments in accordance with the Food Law Code of Practice and centrally issued guidance. [The Standard - 7.2] | Blue   | Completed.   |   |  |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)  | STATUS | PREVIOUSLY<br>OUTSTANDING   | PROGRESS TO DATE                       | OUTSTANDING   |
|---|--------|---|--|---|
| 7.46 (iii) Assess the compliance of establishments in its area to the legally prescribed standards. [The Standard – 7.3]  | Amber  | Ensure thorough assessments consistently undertaken in relation to composition, labelling and traceability.     | Some evidence of thorough assessments. | Ensure thorough assessments consistently undertaken in relation to composition, labelling and traceability.     |
| 7.46 (iv) Amend the AES procedures to provide guidance on who should undertake and review information collected during an alternative enforcement strategy [The Standard 7.4].  | Blue   | Completed.  |  |   |
| 7.46 (v) Ensure that observations made and / or data obtained in the course of a food standards intervention/inspection are recorded in a timely manner to prevent the loss of relevant information. [The Standard - 7.5] | Amber  | Ensure records consistently reflect thorough assessment in relation to composition, labelling and traceability. | Some evidence of thorough assessments. | Ensure records consistently reflect thorough assessment in relation to composition, labelling and traceability. |
| 8.8 (i) Amend its complaints procedure to include information on target response times that have been agreed for food standards complaints. [The Standard - 8.1]  | Blue   | Completed.  |  |   |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)  | STATUS | PREVIOUSLY<br>OUTSTANDING  | PROGRESS TO DATE  | OUTSTANDING  |
|---|--------|--|---|--|
| 8.8 (ii) Ensure that complaints received are investigated in accordance with local procedures to include target response times, taking of appropriate action and informing complainant of the outcome of completed investigations. [The Standard – 8.2] | Blue   | Completed.   |   |  |
| 9.6 (i) Ensure it liaises with the Primary, Home or Originating authorities in relation to offences identified during interventions and unsatisfactory samples. [The Standard – 9.1, 9.4 & 9.6]   | Green  | Ensure, unsatisfactory sample results and offences identified during interventions are brought to the attention of other relevant authorities.                     | Evidence of liaison with Primary Authority about offences identified during interventions.  FH samples audited were not part of a primary authority. This element remains untested. | Ensure liaison takes place with home and originating authorities about offences identified during interventions and unsatisfactory FH results. |
| 11.4 (i) Ensure food hygiene and risk rating data and due inspection dates for food hygiene and food standards are correctly entered and accurately maintained on the authority's database. [The Standard – 11.1]                                       | Green  | Ensure risk rating elements relating to significant risk and vulnerable group / food type scores are consistently applied and due date errors are further reduced. | Due date errors had significantly reduced. No errors relating to longer due dates were found.   | Ensure risk rating elements relating to significant risk and vulnerable group / food type scores are consistently applied.                     |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)  | STATUS | PREVIOUSLY<br>OUTSTANDING | PROGRESS TO DATE | OUTSTANDING |
|---|--------|---------------------------|------------------|-------------|
| 12.10 (i) Amend and implement its documented sampling policy to include out of hours sampling and shellfish bed sampling arrangements and ensure its sampling programme includes details in relation to shellfish bed sampling. [The Standard – 12.4]   | Diac   | Completed.                |                  |             |
| 12.10 (ii) Amend its procedures to include the procurement or purchase of solid/frozen and liquid/bulk food for both microbiological examination and food standards analysis. With respect to microbiological examination, amend its procedure to include shellfish bed sampling and the formal notification of sampling results. [The Standard – 12.5] | Бшс    | Completed.                |                  |             |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)   | STATUS | PREVIOUSLY<br>OUTSTANDING  | PROGRESS TO DATE   | OUTSTANDING   |
|--|--------|--|--|---|
| 12.10 (iii) Take appropriate action in accordance with its Enforcement Policy where sample results are not considered to be satisfactory. [The Standard – 12.7]  | Green  | Ensure unsatisfactory microbiological samples are correctly notified to the registered food business operator. Ensure appropriate enforcement action is undertaken in relation to unsatisfactory food standards samples. | Improvements in following up unsatisfactory microbiological samples and the timely follow up of unsatisfactory food standards samples.  No food standards samples were taken within scope of the audit. This element of the recommendation was therefore untested. | Ensure unsatisfactory microbiological samples are correctly notified to the registered food business operator.  Ensure appropriate enforcement action is undertaken in relation to unsatisfactory food standards samples. |
| 13.11 (i) Amend the procedure for investigation of sporadic cases of food related infectious disease to ensure that all notifications are investigated in accordance with centrally issued guidance and ensure that the procedure is fully implemented. [The Standard -13.2] | Blue   | Completed.   |  |   |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)   | STATUS | PREVIOUSLY<br>OUTSTANDING  | PROGRESS TO DATE                            | OUTSTANDING   |
|--|--------|--|---|---|
| 15.20 (i) Review and amend its enforcement policy to include details of its arrangements for ensuring compliance with food hygiene and food standards requirements in establishments where it is the food business operator and reference to the Primary and Home Authority Schemes. [The Standard – 15.1] | Amber  | Finalise and approve<br>the amended draft<br>enforcement policy. | A finalised enforcement policy is in place. | Ensure that the enforcement policy has been approved in line with the Authority's scheme of delegation. |
| 15.20 (ii) Amend its documented enforcement procedures for improvement notices, remedial action notices and detention and seizure in accordance with the Food Law Code of Practice and official guidance and document its procedure for undertaking simple cautions and prosecutions. [The Standard -15.2] | Blue   | Completed.   |   |   |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)   | STATUS | PREVIOUSLY<br>OUTSTANDING   | PROGRESS TO DATE  | OUTSTANDING   |
|--|--------|---|---|---|
| 15.20 (iii) Ensure that food hygiene enforcement including Remedial Action Notices and Hygiene Improvement Notices are carried out in accordance with the Food Law Code of Practice, centrally issued guidance and local procedures. [The Standard - 15.3] | Amber  | Ensure records of service of HINs and RANs are consistently clear as to the method of service and meet legal requirements and that checks on compliance are consistently timely. Ensure voluntary surrender agreements include time and method of destruction and records of destruction of food include the method used. | Record of service for HINs and RANs occasionally maintained and records of timely checks on compliance sometimes available.  Records of destruction of unsafe food lacking in information and detail. | Ensure records of service of HINs and RANs are consistently clear as to the method of service and meet legal requirements and that checks on compliance are consistently timely. Ensure voluntary surrender agreements include time and method of destruction and records of destruction of food include the method used. |
| 15.20 (iv) Ensure all decisions on enforcement action are made following consideration of its Enforcement Policy. The reasons for any departure from the criteria set out in the enforcement policy shall be documented. [The Standard - 15.4]             | Amber  | Ensure enforcement is appropriately escalated following food standards interventions and samples.   | Limited evidence of escalation of food standards offences arising during interventions.  No unsatisfactory samples available for examination.   | Ensure enforcement is appropriately escalated following food standards interventions and samples.   |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)   | STATUS | PREVIOUSLY<br>OUTSTANDING   | PROGRESS TO DATE   | OUTSTANDING |
|--|--------|---|--|-------------|
| 16.8 (i) Ensure that up to date food business registration forms are maintained and retrievable and that the contents of establishment files for approved premises are reviewed to ensure that they contain relevant documentation as required by Annex 10 of the Food Law Code of Practice. [The Standard – 16.1] | Blue   | Completed.  |  |             |
| 16.15 (i) Ensure that food business registration forms are maintained and retrievable, that businesses are provided with reports following an intervention / inspection and that food standards reports contain all the information required by Annex 6 of the Food Law Code of Practice. [The Standard – 16.1]    | Blue   | Ensure record of person seen and a clear distinction between legal requirements and recommendations are consistently included in reports. | Record of person seen now being consistently reported and a clear distinction between legal requirements and recommendations being made. | Completed.  |
| 16.15 (ii) Ensure that records of food standards interventions are kept for at least 6 years. [The Standard – 16.2]  | Blue   | Completed.  |  |             |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)   | STATUS | PREVIOUSLY<br>OUTSTANDING  | PROGRESS TO DATE   | OUTSTANDING  |
|--|--------|--|--|--|
| 19.10 (i) Revise and fully implement documented internal monitoring procedures to improve the qualitative assessment of the full range of food hygiene and food standards activities. [The Standard – 19.1]  | Blue   | Completed.   |  |  |
| 19.10 (ii) For food hygiene and food standards, verify its conformance with the Standard, relevant legislation, the Food Law Code of Practice, centrally issued guidance and the authority's documented policies and procedures. [The Standard – 19.2] | Amber  | Ensure records of internal monitoring reflect full extent of monitoring activity including qualitative aspects of AES, service requests, infectious disease investigations, sample follow up investigations. | Some aspects of work including inspection information and service request dates being looked at to produce reports to senior management on service delivery. Limited information documented. | Ensure records of internal monitoring including feedback reflect full extent of monitoring activity including qualitative aspects of AES, service requests, infectious disease investigations, sample follow up investigations.                        |
| Food Hygiene Rating Scheme audit actions relating to service planning.   | Red    |  |  | Ensure that the service plan includes a projection on the number of unrated due, unrateds are being prioritised in line with the PG and that it includes a plan to address outstanding interventions in accordance with the Service Planning Guidance. |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)                | STATUS | PREVIOUSLY<br>OUTSTANDING | PROGRESS TO DATE  | OUTSTANDING  |
|---|--------|---------------------------|---|--|
| Food Hygiene Rating Scheme audit actions relating to intervention data. | Green  |                           | Due dates errors significantly reduced.  Small number of CiM and sig risk scores inconsistencies corrected during the audit.  Some confidence in management ratings consistent with available compliance track record information.  FHRS action point relating to due inspections completed closed to avoid duplication of open rec 7.26 (i). | Ensure confidence in management ratings consistently reflect the track record of businesses. |

| TO ADDRESS (RECOMMENDATION INCLUDING STANDARD PARAGRAPH)                                    | STATUS | PREVIOUSLY<br>OUTSTANDING | PROGRESS TO DATE  | OUTSTANDING   |
|---|--------|---------------------------|---|---|
| Food Hygiene Rating Scheme audit actions relating to intervention & enforcement procedures. | Green  |                           | Interventions procedures amended. Procedures provided for all FHRS enforcement options.               | Further amend intervention / enforcement procedures and aide memoires to address outstanding FHRS audit findings to include: - method of prioritising unrated premises, based on risk Aide-memoire G and Approval form 3 fields for all entrance checks and no. of entrances - Service of notices / formal enforcement in Council premises. |
| Food Hygiene Rating Scheme audit actions relating to inspection reports.                    | Green  |                           | Full information on re-<br>rating costs now<br>included in all letters.                               | Ensure reports and notifications of the rating are consistently made to the food business operator within the appropriate timescale.  |
| Food Hygiene Rating Scheme audit actions relating to internal monitoring                    | Blue   |                           | Safeguard information pre-populated in inspection reports and checked as part of internal monitoring. | Completed.  |
